HITS

grandits studied psychology so I
told him everything, we all did, he kept
tabs on everyone, he knew exactly
what points to hit when he was mad at you,
sometimes we'd huddle outside in the cold
while they smoked and wrestled, he'd always shake
your hand after, sometimes they'd say fucked up
shit to each other, mostly he'd sit there
listening like a monk, unless you were
a girl, then he'd just push you to the ground.
